In short, the ACS Chemistry  
Exams are 2 hour  
standardized tests that have  
a lot of mystery surrounding  
them (See link at bottom for  
more on the format).

Although, it's good to keep  
in mind that the exam is  
typically graded on a scale  
or compared to the national  
average. See a national  
average example at the link

I bought the ACS book, but would like to have some kind of sample exam or anything close relating to their style of exams. I ask this because I already took the ACS General Chemistry example, and i felt the study book was completely different from the actual exam that I took. I really need to score high about the 80th percentile.
