Avoid "Yes" or "No" Questions: Most questions with a "yes," "no," or another one-word answer could likely be answered by searching the company's website. Instead, stick to questions that will create a dialogue between yourself and the employer. Ask Questions About Multiple Topics: Avoid asking questions about just one subject. For example, if you only ask questions about your manager and his managerial style, the interviewer may assume you have an issue with authority figures.

Be Careful How You Respond: Keep in mind that how you frame your answer to job interview questions about weaknesses is as important as what you say. Focus on Accomplishments: Try to shift the focus from what needs improvement to what you have accomplished. Write a Response: You don't need to memorize an answer. But if you write out a few ideas beforehand, it will be easier to answer the question during the interview.
