Historical interpretations: sans-culottes

Sans-culottes (French for without knee-breeches) was a term created 1790 - 1792 by the French to describe the poorer members of the Third Estate, according to the dominant theory because they usually wore pantaloons (full-length trousers) instead of the fashionable knee-length culotte.. Their support came from domestic crises, such as shortages of bread and political injustices.

wage-earners or working artisans. (Slavin, 1986) Looking at the great 'popular' insurrections and journées of sans-culotte Paris, it is notable that the most successful were those clearly planned by radical leaderships in advance – such as the purge of the Girondins, or indeed the fall of the monarchy. When great events seem
