Avocados getting frisky

A threesome of peas in a pod. Not a bunch of grapes, but an orgy. An apple having its way with a lime. Melons revelling in their juiciness. In Dirty Produce, artist MariNaomi imagines what's really going down in the produce aisle after dark. Whether alone or coupled or in a free-for-all, here are ordinary fruits and vegetables reimagined in the act and having the time of their lives. The genius in these full-colour illustrations is in the recognisably human expressions revealed - that look on the 'face' of an orange getting juiced? Pure ecstasy. One strawberry seducing another? The flirtatious smile tells it all. Suggestive and funny with an irresistible sweetness and charm, Dirty Produce is an original take on sex in the kind of cheeky, gifty way that's perfect for sharing with a romantic partner or adding a welcome bit of spice to a party or bridal shower. You'll never again look at your fruit bowl the same way. Wink wink.

Rin is being bullied at his new school, and everyone is a Yokai...with a dick!This 36-page comic explores the relationship between a human college student and his female classmates.Contains Adult themes including Women with penis and Male and polyamorous relationships.

A Brief History of Comic Book Movies traces the meteoric rise of the hybrid art form of the comic book film. These films trace their origins back to the early 1940s, when the first Batman and Superman serials were made. The serials, and later television shows in the 1950s and 60s, were for the most part designed for children. But today, with the continuing rise of Comic-Con, they seem to be more a part of the mainstream than ever, appealing to adults as well as younger fans. This book examines comic book movies from the past and present, exploring how these films shaped American culture from the post-World War II era to the present day, and how they adapted to the changing tastes and mores of succeeding generations.

It began with betrayal. And ended in murder. She was never supposed to cross my path. She was never supposed to know about the Currency of Secrets or the Oaths of Blood. But like a thief in the night, she stole my soul even if she wasn ' t mine to possess. As a member of the Elite, I live by simple tenets. A gentleman above all. Private matters stay private. Secrets whispered are never revealed. Enemies and friends are of the same coin. And power is king. My so-called brothers killed my friend. I intend to make them pay. And before it ' s over, I ' ll bend all the rules of morality, decency and legality. I will borrow and steal to set the scales right. But begging—begging, you can forget about. My name is Ben Covington and I know my sins. \*This is only the beginning of the
