"Branded - The Buying and Selling of 'Teenagers'" sees Alissa Quart focusing on the increasing pervasion of corporate marketing to teens and pre-teens. She examines the harm that such efforts can cause to children, arguing that it forces youngsters to act in a more 'adult' way far too quickly, and isolates individuals who do not subscribe to opinions on the 'right' labels, stars, movies, etc.

Some brands in the table below are still selling freezers with flammable plastic backing. Every model with this type of backing has been made a Don't Buy, regardless of how it performed in our freezing tests, because our research reveals that flammable plastic-backed freezers can dramatically accelerate the spread of flames in the event of a fire.
