questions and builds exam specific grammar skills so that you are as confident as possible on the day of the exam.

Illustrates an integrated process of planning and writing persuasive grant proposals.

Complete CAE is a new course for the 2008 updated CAE exam. Informed by the Cambridge Learner Corpus and providing a complete CAE exam paper specially prepared for publication by Cambridge ESOL, it is the most authentic exam preparation course available. Complete CAE combines the very best in contemporary language learning practice with first-hand knowledge of the challenges students face. There are exercises to help students avoid repeating the typical mistakes that real CAE candidates make, as revealed by the Cambridge Learner Corpus. This topic-based course covers every part of the CAE exam in detail, ensuring that students are fully equipped to tackle each part of every paper. The Student's Book Pack is ideal for self-study. It consists of the Student's Book with answers with CD-ROM and Class Audio CDs which contain the corresponding recordings. The CD-ROM is packed with interactive exercises and enables students to focus on their own particular areas of difficulty and work at their own pace.

This publication highlights the need for test developers to provide clear explanations of the ability constructs which underpin tests offered in the public domain. An explanation is increasingly required, if the validity of test score interpretation and use are to be supported both logically, and with empirical evidence. The book demonstrates the application of a comprehensive test validation framework which adopts a socio-cognitive perspective. The framework embraces six core components which reflect the practical nature and quality of an actual testing event. It examines Cambridge ESOL writing tasks from the following perspectives: Test Taker, Cognitive Validity, Context Validity, Scoring Validity, Criterion-related Validity and Consequential Validity. The authors show how an understanding and analysis of the framework and its components in relation to specific writing tests can assist test developers to operationalise their tests more effectively, especially in relation to criterial distinctions across test levels.

Practical guide for authors wishing to approach a book publisher or agent with a manuscript or book proposal. Includes cartoons and other illustrations, useful contacts list, model book proposals, and bibliography. Published simultaneously in paperback and as a downloadable PDF file. Whitton is a freelance writer and journalist,

teacher of specialist writing courses, and author of 'The Australian Writer's Marketplace'. Hollingworth is a freelance writer and cartoonist working primarily in the corporate sector. They have also collaborated on 'Mission Possible: How to Make Money from Your Writing'.

Focuses on the real mistakes students make in the exam and shows how to avoid them.

Explains how to identify potential sources of funds through public and private grants and discusses procedures for grant application submissions.

It sounds like a paradox: How do you engage in autoethnography collaboratively? Heewon Chang, Faith Ngunjiri, and Kathy-Ann Hernandez break new ground on this blossoming new array of research models, collectively labeled Collaborative Autoethnography. Their book serves as a practical guide by providing you with a variety of data collection, analytic, and writing techniques to conduct collaborative projects. It also answers your questions about the bigger picture: What advantages does a collaborative approach offer to autoethnography? What are some of the methodological, ethical, and

interpersonal challenges you'll encounter along the way? Model collaborative autoethnographies and writing prompts are included in the appendixes. This exceptional, in-depth resource will help you explore this exciting new frontier in qualitative methods.

This volume establishes how English language constructs were measured in Cambridge English examinations over the period 1913 to 2012. An addition to the Studies in Language Testing series, this volume provides an overview of English language testing over the last century, with coverage of key theoretical and practical aspects of the assessment of reading, listening, writing and speaking skills. It includes examples of the Cambridge English exams, old and new, and is the first volume to describe in a systematic way the different theoretical influences which have shaped the development of the constructs underlying Cambridge English exams in the last 100 years.

Advanced Expert thoroughly prepares your adult and young adult students for the CAE while developing their language awareness and communicative skills. Advanced Expert CAE corresponds to level C1 of the Common European Framework.
