Building on the Key Concepts chapter framework of previous editions, Campbell BIOLOGY, Ninth Edition helps students keep sight of the “ big picture ” by encouraging them to: Make connections across chapters in the text, from molecules to ecosystems, with new Make Connections Questions

Campbell Biology, 9th Edition - Pearson

Loved the price to rent this textbook for my biology class. It is the same thing and same diagrams as the 10th Edition (compared side by side with another student) the pages are just slightly off by one or two, not bad at all. Do not waste your money on the 10th Edition when the 9th is a lot cheaper to rent and is practically the same thing.

Amazon.com: Customer reviews: Campbell Biology (9th Edition)

The 9th Edition offers students a framework organized around fundamental biological themes and encourages them to analyze visual representations of data with new Visualizing the Data figures. A reorganized chapter one emphasizes the process of science and scientific reasoning, and robust instructor resources and multimedia allow students to engage with biological concepts in a memorable way.
