Catch a Falling Star is a book that makes you throw out the idea of analyzing the details and allows you to just sit back and enjoy the completely predictable, light-hearted, warm fuzzy feeling that it brings. It's been a long time since I have been able to read a book in one sitting.

Catch a Falling Star by Kim Culbertson - Goodreads
Catch A Falling Star is a beautiful middle-grade novel about family, grief and growing up. Authentic Australian setting, a compelling mix of historic events and astrology, and characters who are easy to love. Now, don't hurt me, but do I put this under historical fiction? It is set in Australia in 1979.

(Catch a Falling Star by Meg McKinlay pg. 219.) The book teaches us several important lessons that can help us improve how we live our lives. The morals in the book are ones that everyone can relate to, even if you haven't been through what Frankie has. Catch a Falling Star is a magnificent novel that pre-teens and teenagers can enjoy. Personally, I'd give the book five stars because the mixture of factual and fictional information was something that I'd never seen before.
