Online Library Concise Pocket Medical Dictionary

health medicine, medical research and general practice, drugs and pharmacology, endocrinology, cardiology and radiology, among other specialist areas. This new edition has been revised and updated to reflect advancements in medical research and practice, while over 250 new

Online Library Concise Pocket Medical Dictionary

entries have been added, including American Medical Association, burden of treatment, gaming disorder, MERS, person-centred care, and Zika virus. Recommended web links and detailed illustrations complement the text, and extensive appendices offer useful lists and tables on areas such as inherited

Online Library Concise Pocket Medical Dictionary

medical conditions, units of alcohol,
and abbreviations and symbols.

Selling over a million copies in
previous editions, this is an essential A-
Z for students and those working in the
medical and allied professions,
including nurses, pharmacists,
physiotherapists, social workers,

Online Library Concise Pocket Medical Dictionary

hospital administrators, and medical secretaries. It is also an invaluable home reference guide for the general reader.

What does that term mean? How is it even pronounced? Make sense of the complex world of health care with

Online Library Concise Pocket Medical Dictionary

Mosby's Pocket Dictionary of Medicine, Nursing & Health Professions, 8th Edition. This comprehensive, portable dictionary offers a unique, strong focus on nursing and health science terminology. Featuring over 56,600 authoritative definitions of diseases,

Online Library Concise Pocket Medical Dictionary

procedures, equipment, drugs, and more, it ensures you have the most reliable health science information right at your fingertips. Word roots and pronunciations help you learn and correctly use medical terminology, and alphabetized screened thumb tabs make finding definitions quick and

Online Library Concise Pocket Medical Dictionary

easy. Emphasis on nursing and health science terminology supports health science students and practicing professionals. Over 56,600 definitions provide you with necessary information. Revised by an experienced educator, Marie O'Toole, and an expert team of health

Online Library Concise Pocket Medical Dictionary

professionals, nurses, and doctors, so definitions are brief, pertinent, and — most important of all — accurate! Practical alphabetical organization without subentries makes it easier for you to find terms. British spellings assist you in recognizing alternate spellings. Pronunciations for key terms

Online Library Concise Pocket Medical Dictionary

help you use terminology correctly in everyday practice. A Spanish/English Appendix and commonly used abbreviations, printed on the front and back endsheets, make dictionary an indispensable reference. Alphabetized screened thumb tabs save you time locating terms. Included etymologies

Online Library Concise Pocket Medical Dictionary

build professional vocabulary and understanding of medical terminology. Small trim size makes dictionary easy to transport.
