Contemporary Topics 3 is the most advanced level of a three book series that is devoted to academic listening, note-taking, and content-based learning. Each chapter is dedicated to an academic course of study and presents an eight-step learning approach. The initial step is an activity to connect learners' experiences and knowledge to the topic. The following step is a vocabulary section with words derived from the Academic Work List (Coxhead, 2000) and related to the main lecture of the ...
