Regency Romance Books - Goodreads

4. Romances about Dukes. There's just something intriguing about a Duke in historical romance. He's a powerful and often rich man at the top of the aristocracy - so when a Duke falls to his knees, deeply in love, it's very romantic. Many popular Victorian or Regency romances include Viscount's, Earls and Dukes. 5. Separated lovers ...

10 Popular Tropes in the Historical Romance Genre

Historical romance is more than dukes and balls (though there are some awesome series that feature plenty of both of these), and is definitely more than just Regency English Society, though that particular segment of time and place often seems to be the bulk of what is both published and familiar.

10 Excellent Historical Romance Series - BOOK RIOT

Duke and Duchess. The title of Duke was given to the highest ranking peers below the Royal Family. Compared to the number of hot, eligible but fictional Dukes, the actual number of non-royal dukes in existence in 1818 was 25 and included English, Scottish and Irish titles. The number of hot and eligible ones was much lower.

Desirable Dukes Regency Romance 10 Book Box Set

Two popular series, the Dukes of War and Rogues to Riches, feature roguish peers and dashing war heroes who find love amongst the splendor and madness of Regency England. When not reading or writing romances, Erica can be found riding camels in Africa, zip-lining through rainforests in Costa Rica, or getting hopelessly lost in the middle of ...

Regency Romance Tasters (4 books) Kindle Edition

Since I am a great fan of Regency romances, I bought quite a few of M.C. Beaton's. While I enjoyed this one, and expect to enjoy the others, my criticism of this one is the same as the one I finished this morning: underdeveloped characters, typical plot, and the plot was made up of jumping around from one short, incomplete scenario to another.

The Desirable Duchess (A Regency Romance): Chesney, Marion ...

There were also a few Dukes who married young. So most of the dukes/Dukes on the board would've been marriageable, if not of the age most Regency romances pick for the hero. Now for the second part of the question. Who, in the Regency era, was unwed/marriageable. For that, I produced another chart.

The first in an exciting new series by USA Today bestseller Kerrigan Byrne! These men are dark, bold, and brave. And there is only one woman who can bring them to their knees... Famed and brilliant, Lady Alexandra Lane has always known how to look out for to herself. But nobody would ever expect that she has darkness in her past—one that she pays a blackmailer to keep buried. Now, with her family nearing bankruptcy, Alexandra strikes upon a solution: get married to one of the empire's most wealthy eligible bachelors. Even if he does have the reputation of a devil. LOVE TAKES NO PRISONERS Piers Gedrick Atherton, the Duke of Redmayne, is seeking revenge and the first step is securing a bride. Winning a lady's hand is not so easy, however, for a man known as the Terror of Torcliff. Then, Alexandra enters his life like a bolt of lightning. When she proposes marriage, Piers knows that, like him, trouble haunts her footsteps. But her gentleness, sharp wit, independent nature, and incredible beauty awakens every fierce desire within him. He will do whatever it takes to keep her safe in his arms. "Romantic, lush, and suspenseful."—New York Times bestselling author Suzanne Enoch

"Anyone who loves romance must read Sabrina Jeffries!" —Lisa Kleypas, New York Times bestselling author An Amazon Best Romance of the Month A USA Today Bestseller A sexy and distracting rake is tamed by a scholarly heroine with a penchant for the sciences in this dazzling and witty tale of Regency London. A past kiss with adorably bookish Miss Olivia Norley should be barely a memory for Marlowe Drake, the Duke of Thornstook. After all, there are countless debutantes for a handsome rakehell to charm beyond a young lady whose singular passion is chemistry—of the laboratory type. But Thorn has not forgotten—or forgiven—the shocking blackmail scheme sparked by that single kiss, or the damage caused to both their names. Now Thorn's half-brother, Grey, has hired the brilliant Miss Norley for her scientific expertise in solving a troubling family mystery. And the once-burned Thorn, suspicious of her true motives, vows to follow her every move . . . For Olivia, determining whether arsenic poisoning killed Grey's father is the pioneering experiment that could make her career—and Thorn's constant presence is merely a distraction. But someone has explosive plans to derail her search. Soon the most unexpected discovery is the caring nature of the reputed scoundrel beside her—and the electricity it ignites between them . . . "Intoxicating...Jeffries's perfect blend of romance, mystery, and suspense is sure to have series readers anxious for more." —Publishers Weekly

He'll keep her safe no matter the cost... When The Honourable Patrick Cranston is hired by the White family to guard a duke's sister, he's relieved. Watching one debutante is a fair sight easier than bareknuckle boxing, at least that's how it seems. At first. But as trouble swirls about Lady Millicent, threatening the delicate beauty, he realizes her circumstances are far more dangerous than he first imagined. Her life is at risk and it's his job to protect her. But that isn't what scares him the most. The more time he spends with her, the more he realizes, his heart in peril as well and that frightens the hell out of him. Still, he'll do anything to save them both. She needs a hero. Not just for the reasons her brothers think. They're planning to match her with a rich merchant to infuse the dukedom with much needed coin, but Millie will not be any man's pawn. Not even her brother's, The Duke of Whitehaven. And when he hires a guard, she makes the bare-knuckle boxer a counteroffer. Help her earn her freedom from a loveless marriage and she'll gift him her inherited jewels, a trade that will secure his future too. But she didn't factor in one very important detail. Patrick Cranston is not a pawn either. And he's slowly, systematically stealing her breath and her affection until she's forgotten why she ever fought marriage at all. But as France and England clash, the war threatens the White family, Millie most of all. Can Patrick hold back the forces bearing down on her? And how can she keep her heart and the future she has so carefully fought for?

From a New York Times bestselling author: a second chances, enemies-while-lovers reunion romance where nothing is as it first appears, and everyone's motives are suspect... Olive Harper's family has been feuding with the Westons for decades. The Westons' stud farm is the biggest, but the Harpers' is the most famous... and she's the sole heiress. Or was, until her father brokers a truce by offering the Weston heir the Harper farm. The only way to get it back is to marry the knave who kissed her and humiliated her, twice—or prove to her father that some rifts can never be healed. Scholar and botanist Elijah Weston is dreadful at feuding. For one, he prefers horticulture to horses. For two, he's been desperately in love with his mortal enemy ever since he kissed her—and, yes, publicly destroyed her—all those years ago. When he's given ten days to win Olive's heart, he arrives with marriage license in hand. But where lies and double-crosses abound, how can lifelong rivals learn to trust their hearts? The 12 Dukes of Christmas is a series of heartwarming Regency romps nestled in a picturesque snow-covered village. Twelve delightful romances... and plenty of delicious dukes!

Simon Basset, the irresistible Duke of Hastings, has hatched a plan to keep himself free from the town's marriage-minded society mothers. He pretends to be engaged to the lovely Daphne Bridgerton. After all, it isn't as if the brooding rogue has any real plans to marry - though there is something about the alluring Miss Bridgerton that sets Simon's heart beating a bit faster. And as for Daphne, surely the clever debutante will attract some very worthy suitors now that it seems a duke has declared her desirable. But as Daphne waltzes across ballroom after ballroom with Simon, she soon forgets that their courtship is a complete sham. And now she has to do the impossible and keep herself from losing her heart and soul completely to the handsome hell-raiser who has sworn off marriage forever!

From a New York Times bestselling author and one of "the very best in today's Regency romance" (Elizabeth Hoyt) comes the story of the unconventional Wentworth family in this charming new series with a Cinderella twist. One minute, London banker Quin Wentworth is facing execution. The next, he's declared the long-lost heir to a dukedom. Quin has fought his way up from the worst slums, and now he's ready to use every dirty trick he knows to find the enemy who schemed against him. Jane Winston, the widowed and pregnant, crosses paths with Quin while her father is preaching to the prisoners. Believing his days are numbered, Quin offers her marriage as a way to guarantee her independence and provide for her child. Neither thinks they'll actually have a future together. He's a wealthy gutter rat out for vengeance. She's a minister's daughter who must turn a marriage of desperation into a proper dual union. Are they doomed from the start or destined for a happily-ever-after? Also includes the bonus novella Once Upon a Christmas Eve from New York Times bestselling author Elizabeth Hoyt!When his carriage wheel snaps in a snowstorm, Adam Rutledge, Viscount d'Arque, is forced to seek shelter at the home of the most maddening, infuriating, and utterly beguiling woman he's ever met. "Skillfully crafted and exquisitely written, Burrows' latest is pure gold; a brilliant launch to a promising series." --Library Journal, starred review

The pleasure of your company is requested at Marbury Park. Four lovely ladies will arrive... but only one can become a duchess. James, the scandalously uncivilized Duke of Harland, requires a bride with a spotless reputation for a strictly business arrangement. Lust is prohibited and love is out of the question. Four ladies. Three days. What could go wrong? She is not like the others... Charlene Beckett, the unacknowledged daughter of an earl and a courtesan, has just been offered a life-altering fortune to pose as her half-sister, Lady Dorothea, and win the duke's proposal. All she must do is: * Be the perfect English rose [Ha!] * Breathe, smile, and curtsy in impossibly tight gowns [blast Lady Dorothea's sylph-like figure] * Charm and seduce a wild duke [without appearing to try] * Keep said duke far, far from her heart [no matter how tempting] When secrets are revealed and passion overwhelms, James must decide if the last lady he should want is really everything he needs. And Charlene must decide if the promise of a new life is worth risking everything . . . including her heart.

She lives for passion. Bold, impulsive, and a magnet for trouble, Juliana Fiori is no simpering English miss. She refuses to play by society's rules; she speaks her mind, cares nothing for the approval of the ton, and can throw a punch with remarkable accuracy. Her scandalous nature makes her a favorite subject of London's most practiced gossips . . . and precisely the kind of woman The Duke of Leighton wants far far away from him. He swears by reputation. Scandal is the last thing Simon Pearson has room for in his well-ordered world. The Duke of Disdain is too focused on keeping his title untainted and his secrets unknown. But when he discovers Juliana hiding in his carriage late one evening—risking everything he holds dear—he swears to teach the reckless beauty a lesson in propriety. She has other plans, however; she wants two weeks to prove that even an unflappable duke is not above passion.
