Written by Deborah Reber, a best-selling author and mother in the midst of an eye-opening journey with her son who is twice exceptional (he has ADHD, Asperger's, and is highly gifted), Differently Wired is a how-to, a manifesto, a book of wise advice, and the best kind of been-there, done-that companion.

Differently Wired: Raising an Exceptional Child in a

--Tom Ropelewski, filmmaker, 2e: Twice Exceptional and 2e2: Teaching the Twice Exceptional "Differently Wired is one mother's clarion call for moving to action, based on a deep understanding of children who are neurodiverse, and therefore, who think, learn, and at times, behave differently. Debbie Reber provides practical advice on a broad range of topics that will be a treasure trove for parents who are desperately seeking guidance in understanding and best supporting their neurodiverse child.

Differently Wired: Raising an Exceptional Child in a

Differently Wired is a radical book. It is also a deeply humane and practical resource for parents raising twice exceptional kids. An outgrowth of Debbie Reber's TILT Parenting community, this book distills her vision for a world in which "differently wired" children can be accepted and celebrated for their unique qualities.

Differently Wired: Raising an Exceptional Child in a

By Deborah Reber. Hot off the press, this book is a must read for any family raising the one in five child who is differently wired. This was an easy read and I found the heartfelt words both instructional and inspirational. Part one of the book details the story of Reber's son Asher and explains the various differently wired diagnosis of ADHD, dyslexia, Aspergers, giftedness, anxiety, and sensory processing disorder.

Differently Wired: Raising an Exceptional Child in a

Debbie's next book is Differently Wired: Raising an Exceptional Child in a Conventional World (Workman Publishing, 2018). Prior to launching TILT, Debbie spent the past fifteen years writing inspiring books for women and teens. In doing so, she built a successful brand as a teen authority, was frequently interviewed and spoke about issues ...

Differently Wired: Raising an Exceptional Child in a

"Differently Wired offers an insightful, compassionate framework for empowering parents to rethink how they view neurodiverse learners. Building on the premise that we should celebrate our children's uniqueness instead of apologizing for it, Deborah Reber provides real tools and practical advice for parents to confidently support their child's journey, not only at school but also at home and in life."

Differently Wired—Workman Publishing

Differently Wired is a comprehensive and practical approach to parenting a unique and complex population of children. Twice-exceptional children present parents with a plethora of challenges (and joys) which the author addresses with gusto.

Paperback Release with Bonuses—Tilt Parenting

The new normal is recognizing what's difficult about raising differently-wired kids and then accepting it, as hard as that may be. She encourages readers to look at the upside, the passion, the ingenuity, and the sensitivity that are included in our children's makeup.
