### Dish Network Guide Not Updating

My program guide is not updating on the hopper. Anybody else having the same problem? Any info? Just finished a Tech Support session with Dish. They told me that it is a "known issue". This was my 2nd call about the same thing, but the 1st time they managed to push an update. This time, it did not work and I was told to check the status later.

First Published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

New communication technologies are being introduced at an astonishing rate. Making sense of these technologies is increasingly difficult. Communication Technology Update is the single best source for the latest developments, trends, and issues in communication technology. Now in its 10th edition, Communication Technology Update has become an indispensable information resource for business, government, and academia. As always, every chapter has been completely rewritten to reflect the latest developments and market statistics, and now covers mobile computing, digital photography, personal computers, digital television, and electronic games, in addition to the two dozen technologies explored in the previous edition. The book's companion website (www.tfi.com/ctu) offers updated information submitted by chapter authors and offers links to other Internet resources. \*Provides students and professionals with the latest information in all areas of communication technologies \*The book's companion website offers updated information to this text, plus links to related industry resources \*New and rewritten chapters covering Telephony (with full coverage of VoIP); Podcasting and Internet Video Distribution; WiFi, Broadband, and Mobile computing; and coverage of other emerging technologies, as well as fully updated statistics for all technologies

Textbook includes both theories and programs, and covers all recognized AI work in sufficient detail to allow a critique from general concerns to be anchored, whenever possible, in the structure of specific AI programs. -- Amazon.com.

Cambridge IGCSE Computer Studies Revision Guide is designed to help students prepare for the examination. The book instills confidence and a thorough understanding of the topics learned by the students as they revise for an examination in Computer Studies.

Now in its 11th edition, this text has become an indispensable information resource for business, government, and academia. Every chapter has been completely rewritten to reflect the latest developments and market statistics.

As the best-selling text in its market for more than thirty-five years, Broadcasting in America distinguishes itself by presenting electronic media both as products of contemporary social forces and as social forces in their own right. This text will introduce you to the exciting changes taking place in electronic media. It will help you examine the emerging information infrastructure and the accelerating convergence of various electronic media forms. It will also help you examine the role electronic media plays in many academic areas, ranging from economics to law, from history to social science. You will find this industry more accessible as you experience broadcasting dually through the people and the products that have shaped the history of this medium and through your own experiences with broadcasting in your daily life.
