University of Magic, a special university for those who have one of the four elements: fire, water, air and earth. There she meets Michael, a boy whose element is different than hers which makes their romantic involvement seem impossible because mixing of elements can have horrible consequences. She also feels threatened by Adrian, a dangerous magic disease carrier. Ria's best friend, Paula, is fascinated by Adrian like most of the girls at the university and wants him to help her with her research about the disease. All Ria's beliefs are put to the test when she starts having the symptoms of the disease and the only person she can turn to is Adrian.

Surprised by Adrian's sudden disappearance, Ria is determined to find him, even if that means she has to trust her brother and go to her father's party. However, soon she realizes that her father, as the president of the newly founded Element Preservers Organization, plays a big role in the future of not only magic disease carriers, but also everyone with an element. As the secrets surrounding the magic disease and elements are revealed, Ria doesn't know who she can trust. But when an ex-lover turns into an enemy and a tragic accident changes everything, you can't just run away. Book 2 in Element Preservers series. Young Adult Fantasy/Romance for mature teens.
