Your step by step guide with easy to follow instructions

Page 46/119

Get Free Drupal Structure Guide

for navigating Drupal 8 Key Features Build a great Drupal website easily How to structure, create and maintain different types of content Design roles for secure editing of your site Book Description Drupal is a

Get Free Drupal Structure Guide

powerful content management platform, flexible enough to accommodate almost any content requirements. This flexibility comes with a cost: complexity. Drupal 8 Quick Start Guide will clear your path from installation

Get Free Drupal Structure Guide

to a building usable site in minutes, and to a customized site in one sitting. You will begin with installation of Drupal and going through the main sections of the Drupal UI. Then, you will create a content type that

Get Free Drupal Structure Guide

describes its content, which simplifies the act of creating and editing the actual content later. You will learn about user roles, using real-world examples. This will help you to learn how to design roles, and how

Get Free Drupal Structure Guide

to assign appropriate permissions to them. Next, you will learn to use the WYSIWYG editor, configure it for other roles, navigate the various fields on the content creation form, and publish content. To begin to

Get Free Drupal Structure Guide

appreciate the flexibility and expandability of Drupal, you will make use of popular content-focused modules that extend Drupal's power. You will learn how to expand your market to other readers directly and through other

Get Free Drupal Structure Guide

sites by configuring content and UI translations and creating a View that provides an RSS feed. Finally, you will put everything together by customizing the home page for your new website. What

Get Free Drupal Structure Guide

you will learn Create and customize Drupal structures, such as menus, tags, and content categories Extend Drupal's capabilities with add-on modules Administer site users, their roles, and the actions to which they

Get Free Drupal Structure Guide

are granted access
Understand user roles and permissions Create, edit, and publish content Use Views for custom content selection and display Expand your audience with custom RSS feeds Configure a home
