This song introduces kids to the concept of odd and even numbers. They will learn how to identify an odd from an even number and what that distinction means...

Odd Todd and Even Steven Song - YouTube

As indicated, Even Stevens likes everything to be in even numbers while Odd Todd likes when things are in odd numbers. The two tend to get on each others nerves. This book is a fun book with numbers throughout. While I do understand the concept they are trying to bring out, this book is best understood by children who already know odd and even number.

[(Even Steven and Odd Todd)] [Author: Kathryn Cristaldi ...

If the number rolled is even, Even Steven gets to move one place. If the number is odd, Odd Todd gets to move one place. The winner is the first one to get to the finish line. You may like to extend this game by having your students roll two or three dice, adding/multiplying them together and then deciding if the number is odd or even.

10 Odd Todd and Even Steven - YouTube

Shocker, I know ;) Introducing Mrs. Carroll's version of Odd Todd & Even Steven... I made up a little story to go with both little guys. Even Steven LOVES things to be *fair* & *equal*. When he brings snacks for his friends, he MUST make sure that all of his friends have the same amount.

Odd Todd & Even Steven - Cara Carroll

This game is based off of the book "Even Steven and Odd Todd" and reinforces the concept of even and odd numbers. Students take turn rolling a die and can only move even numbers of spaces (if Steven) and odd numbers of spaces (if Todd).

Even Steven and Odd Todd is a great Math book! Even Steven likes everything in his day to be an even number. For example, he like to eat an even number of pancakes for breakfast, he wakes up at an even time (8) and he even had 12 sprinklers on his lawn. His cousin, Odd Todd, is just the opposite. He loves odd numbers and odd things.
