activities, the Grammar in Context passages, and various other exercises. Audioscripts for the listening exercises are located in the back of the Teacher's Manual. Focus on Grammar helps students understand and practice English grammar through contextualized listening, speaking, reading, and writing activities. Focus on Grammar combines controlled and communicative practice with critical thinking skills and ongoing assessment.

Modern America owes the Roman Empire for more than gladiator movies and the architecture of the nation's Capitol. It can also thank the ancient republic for some helpful lessons in globalization. So argues economic historian Harold James in this masterful work of intellectual history. The book addresses what James terms "the Roman dilemma"--the paradoxical notion that while global society

## Read Online Focus On Grammar 4 Third Edition

depends on a system of rules for building peace and prosperity, this system inevitably leads to domestic clashes, international rivalry, and even wars. As it did in ancient Rome, James argues, a rule-based world order eventually subverts and destroys itself, creating the need for imperial action. The result is a continuous fluctuation between pacification and the breakdown of domestic order. James summons this argument, first put forth more than two centuries ago in Adam Smith's *Wealth of Nations* and Edward Gibbon's *Decline and Fall of the Roman Empire*, to put current events into perspective. The world now finds itself staggering between a set of internationally negotiated trading rules and exchange--rate regimes, and the enforcement practiced by a sometimes-imperial America. These two forces--liberal international order and empire--will one day feed on each other to create a shakeup in global relations, James

## Read Online Focus On Grammar 4 Third Edition

predicts. To reinforce his point, he invokes the familiar bon mot once applied to the British Empire: "When Britain could not rule the waves, it waived the rules." ? Despite the pessimistic prognostications of Smith and Gibbon, who saw no way out of this dilemma, James ends his book on a less depressing note. He includes a chapter on one possible way in which the world could resolve the Roman Predicament--by opting for a global system based on values as opposed to rules.

The all-new Focus on Grammar 4 Interactive CD-ROM, by Margaret Bonner, Marjorie Fuchs, and Ellen Shaw, mirrors the syllabus of the textbook Focus on Grammar 4, now available in a newly revised third edition. Clear, contextualized, and interactive, this CD-ROM program provides a communicative review of

English grammar that covers all language skills through a comprehensive, motivating, and fun practice of the grammar points and skills introduced in the Focus on Grammar Student Book. Focus on Grammar Interactive is in five levels, introductory through advanced. Features Abundant contextualized exercises—including grammar, reading, listening, dictation, and speaking activities—provide students with extensive and meaningful lab practice. Target structures are presented in full reading and listening passages to help students discover the grammar. Dictation exercises provide students with controlled listening and writing practice. Speaking exercises give students the opportunity for further oral practice of the vocabulary, grammatical structures, and themes introduced in the unit. Review quizzes and reports help students monitor their own progress and work. Additional exercises for

remedial practice are provided for each grammar point so that students can work on improving weaker areas. A new From Grammar to Writing section provides students with additional writing practice based on unit topics, through a series of controlled practice leading to authentic pieces of writing that can be submitted for grading. Automated feedback, such as hints and explanations, provides learner support and motivates students. Engaging games provide fun opportunities to review key structures. Additional support is provided by a wide range of easy-to-access resources, including grammar charts, grammar notes, glossaries, and appendices.

MyEnglishLab access code and Workbook 4. Focus on Grammar maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively. Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication. New features include: Updated high-interest readings in multiple genres that expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary is taught, practiced, and recycled throughout each unit, to ensure acquisition. Fully redesigned grammar charts and notes that provide
