Time is running out for Grey and his squad. While they consistently rank in the top twenty players stuck in Fortnite Battle Royale, they need to be the top five to escape virtual reality and go home. Grey's team begins to fray apart, and he fears he won't be able to keep them together long enough to get the rank they need. With the season ending in a couple weeks, people are either giving up or fighting harder than ever. When Grey losses another squad member, he's on the verge of throwing in the towel himself. But to his surprise, the top player, Tae Min, approaches him with a deal that may give them just the chance they need.

Grey never expected his best friend, Finn, to end up trapped in Battle Royale as well, but now they both have to fight to get out. And there are only a few more weeks to do it. If Ben and Tristan hadn't left Grey's squad, he would have been a lot closer to the top five. But with the help of his new squad members, Grey is determined to climb back to the top. It won't be easy when Grey's old squad mates use his own tactics against him. He must use his creativity to find new ways to lead his squad back to the top twenty.
