Politics of Globalization
presents an up-to-date
perspective on the
kaleidoscopic politics of
globalization. The
authors analyze the
existing definitions of
capitalism and argue
that globalization and
the consequent growing
multi-polarity in world
politics is not a crisis but
a proliferation of
capitalisms. This

Download File

PDF

network of capitalisms becomes the framework of the politics of the new globalization. This compilation by social scientists across the globe is an empirical and theoretical exploration of the political responses to globalization. The authors examine the impacts of the decline of US domination in trade

Download File

PDF

and finance and compare it to the rise of Asian economies, with special focus on China and India. The articles explore the multiple impacts of globalization: the impact of new global political relations on 21st century international division of labour, the relation between gender equality and globalization, trade
