Biological Psychology 10th (Tenth) Edition BY Kalat: Kalat:--

Throughout all ten editions, the goal has been to make biological psychology accessible to psychology students, not just to biology majors and pre-meds. The goal has also been to convey the excitement of the search for biological explanations of behavior. Kalat believes that biological psychology is "the most interesting topic in the world," and this text convinces many students.

Biological Psychology, 10th Edition / Edition 10 by James:--

Kalat's main goal is to make Biological Psychology understandable to Psychology students, not just to Biology majors and pre meds--and he delivers. Another goal is to convey the excitement of the search for biological explanations of behavior. Kalat believes that Biological Psychology is "the most interesting topic in the world," and this text convinces many students--and maybe you, too--with clear writing, amusing anecdotes and intriguing examples.
