Anyone who can hold a pencil can learn to draw. In this book, Bert Dodson shares his complete drawing system—fifty-five "keys" that you can use to render any subject with confidence, even if you're a beginner. These keys, along with dozens of practice exercises, will help you draw like an artist in no time. You'll learn how to:

- Restore, focus, map, and intensify
- Free your hand action, then learn to control it
- Convey the illusions of light, depth, and texture
- Stimulate your imagination through "creative play"

Draw with Confidence and Creativity! New in paperback! Creativity occurs in action. It is not a trait; it is something you do. To be creative, you need to engage in the art-making process. When you are "in the flow," you shift out of the future and into the present, making connections, generating variations and surrendering to the process. This ten-year edition of Keys to Drawing With Imagination is a course for artists in how to take something, do something to it and make something new. Bert Dodson, author of the best-selling Keys to Drawing (more than 250,000 copies sold!) presents fun techniques and mind-stretching strategies to get you drawing better and more imaginatively than you ever have before. In every section, he offers you basic guidelines that help you channel your creative energies in the right direction. Before you know it, you'll lose yourself in the process, enjoying the experience as you create something gratifying and worthwhile. The subjects covered in this hands-on book are as vast as the imagination itself. Through 58 strategies, 36 exercises and 13 step-by-step demonstrations, you'll explore how to:

- Take your doodling from mindless to masterful
- Create your own reality by crumbling, melting or breaking objects
- Flip the familiar on its ear to create something utterly original
- Experiment with visual paradox and metaphor
- Tell vivid stories through the details in your drawings
- Play with patterns to create captivating compositions
- Build your drawings by borrowing ideas from different cultures
- Develop a theme in your work

Along the way, Dodson offers you priceless advice on the creative process culled from his 70 years of drawing and teaching. For additional inspiration and encouragement, he includes the work of 30 other outstanding artists, including R. Crumb and Maya Lin. So what are you waiting for? Grab this book and start drawing! You'll be amazed at what you can create. *Note to readers: This book is a 10-year anniversary paperback reprint of the Keys to Drawing with Imagination hardcover edition (2006).

Discover the Keys to Creating Beautiful Drawings with Master Artists Between these pages, artists of all backgrounds will find anything and everything they need to know about drawing. With thorough explanations of materials and their composition, step-by-step demonstrations, and practical advice for creating compositions, The Big Book of Drawing is a comprehensive authority on the medium that is the foundation of all other visual arts. Learn how to handle charcoal, pastel, pencil, and an array of inks; master various shading techniques, including cross-hatching and chiaroscuro; and discover the secrets to constructing attractive and unique compositions. Aspiring artists will learn from the best, with a plentiful array of work by old masters, such as Van Dyke, Rembrandt, Gainsborough, Degas, Toulouse-Lautrec, and others. This combination of a detailed instruction book and folio of masterpiece art inspires and informs artists in a way that no other drawing book does.

This inspiring book makes drawing in a realistic style easier than you may think and more fun than you ever imagined. Authors Mark and Mary Willenbrink (Watercolor for the Absolute Beginner) cover it all—from choosing materials and the correct way to hold your pencil, to expert advice on the tricky stuff, like getting proportions and perspective right, drawing reflections, and designing strong compositions. (It's not as scary as it sounds...not with Mark and Mary as your guide!) At the heart of this book, a series of fun, hands-on exercises help you practice and perfect your strokes—24 mini-demos lead up to 9 full step-by-step demos. Each exercise builds on the previous one as you develop your skills, build your confidence, and enjoy yourself along the way. The lessons you learn by drawing simple subjects such as coffee mugs, clouds and trees will help you take on progressively more challenging matter like animals, still lifes, landscapes and portraits...the kinds of subjects and scenes you've always dreamt of drawing. This book is just the ticket for budding artists of any age. It's never too early and never too late to discover the pure joy of drawing.

The 35th anniversary edition of the classic how-to book that has helped millions of artists learn to draw. When it was originally published in 1970, How to Draw What You See zoomed to the top of Watson-Guption's best-seller list—and it has remained there ever since. "I believe that you must be able to draw things as you see them—realistically," wrote Rudy de Reyna in his introduction. Today, generations of artists have learned to draw what they see, to truly capture the world around them, using de Reyna's methods. How to Draw What You See shows artists how to recognize the basic shape of an object—cube, cylinder, cone, or sphere—and use that shape to draw the object, no matter how much detail it contains.

If you can write your name, you have enough touch to learn to draw. Let Mark Linley inspire you to pick up your pencil and create a magical

masterpiece. His positive approach secures quick, accurate results and ever-growing confidence. Learn to look properly and get the basic outlines correct; include the key features but simplify what you see; understand how shading (such as dot stipple or cross-hatching) can transform a sketch; get the eye level right and see how a grid helps with the composition. Whatever you want to draw - a beautiful holiday scene, a lifelike portrait of your family or favourite pet, or even a funny cartoon to illustrate a birthday card - Mark Linley shows, in this new edition of his bestselling book, everything you need to succeed.

"Your step-by-step guide to drawing and sketching in pencil, ink, charcoal, pastel, and colored pencil"--Cover.

Make the world your studio! Capture the bustle and beauty of life in your town. Experience life as only an artist can! Join the rapidly growing, international movement of artists united by a passion for drawing on location in the cities, towns and villages where they live and travel. Packed with art and advice from Marc Taro Holmes, artist and co-founder of Urbansketchers.org, this self-directed workshop shows you how to draw inspiration from real life and bring that same excitement into your sketchbook. Inside you'll find everything you need to tackle subjects ranging from still lifes and architecture to people and busy street scenes. • 15 step-by-step demonstrations cover techniques for creating expressive drawings using pencil, pen and ink, and watercolor. • Expert tips for achieving a balance of accuracy, spontaneity and speed. • Practical advice for working in the field, choosing subjects, coping with onlookers, capturing people in motion and more. • Daily exercises and creative prompts for everything from improving essential skills to diverse approaches, such as montages, storytelling portraits and one-page graphic novels. Whether you are a habitual doodler or a seasoned artist, The Urban Sketcher will have you out in the world sketching from the very first page. By completing drawings on the spot, in one session, you achieve a fresh impression of not just what you see, but also what it feels like to be there . . . visual life stories as only you can experience them.
