When she regains consciousness after being struck by a vehicle, Elicia Warren is shocked to discover that she has awakened in a field outside a small western town over a century in the past. Her sharp tongue quickly earns her a stern scolding from Jack Phillips, the handsome local man who stumbled upon her, and the fact that discipline is enforced very differently in this older era is brought home to Elicia more clearly as she witnesses a young woman being soundly spanked. As she sets about learning to ride a horse with Jack ' s help, Elicia cannot help falling for her strict yet patient instructor, but she is unsure what to expect when circumstances catapult them into a hastily agreed upon marriage. After she disregards her new husband ' s warnings about riding alone, however, Elicia soon learns the hard way that Jack will not hesitate to take her over his knee for a lesson in obedience which will be taught with a hairbrush applied to her bare bottom. Though Jack ' s firm-handed chastisement leaves Elicia ' s cheeks blushing and her backside burning, her desire for him grows stronger with every passing day, as does her appreciation for an old-fashioned life. But when she finally decides to tell him her story, will he believe her? Publisher ' s Note: An Old-Fashioned Life includes spankings and sexual scenes. Everywhere she goes she is chastised for not being woman enough to keep her straying husband at home. Eager to flee her old life, Celia heads to Colorado as a mail-order bride. As mayor of Slate Springs, Colorado, Luke Tate is expected to set the example. Their small town is hidden away in a remote mountainous region where few women have the courage or desire to tread. As mayor, it falls to him to test out their newly passed law and share a wife with his brother. The truth is, Luke has no interest in a woman of his own, and agrees to a mail-order bride out of duty, not anticipation. His brother, Walker, is jaded and hard after the death of his first wife. For Walker, loving again is out of the question. But a man has needs, and he'll eagerly take his pleasure from their new bride while expecting Luke to provide the tenderness and caring a woman expects. A marriage based on everything but love should be doomed. But Celia, Luke and Walker discover one thing they have in common: desire. Will that be strong enough to survive the danger that follows Celia from Texas? Will desire be strong enough to teach the three that sometimes you have to risk everything for love?

Parents are not helping children or doing them a favor when they allow them to run rampant or do whatever they want to. Those children grow up and get into trouble, having more relationship issues than disciplined children, and they can't understand why life is so difficult for them. It's much harder for people to learn the importance of respect and good behavior when
