For a lot of people, mindful drinking involves moderation. That could be a lower percentage drink, cutting down for a week, doing a sober sprint, or even going alcohol free. Motivations vary too. You could have a slimming or fitness goal, want to save cash, keep your mind sharp, or just not up for drinking tonight.

**Mindful Drinking - Mindful Drinking Festival**

Some of our members wanted to cut down, others to stop for a bit (for example to go Sober for October or to do a Dry January), and some to quit alcohol for good. The common theme to all is a more conscious, or mindful, way of deciding whether, when and how much alcohol to consume in any given day. We even call ourselves a mindful drinking movement.
