Mio Knight Rider
The Good The Mio Knight Rider GPS features the original voice of KITT from the TV show and also has flashing LEDs to make a GPS like no other. The portable navigation system is easy to use and...

Mio Knight Rider GPS review: Mio Knight Rider GPS - Roadshow
This may seem like a one-trick gimmick, but even so Mio has done a good job by branding their unit with Knight Rider logos, glowing LEDs on the side of the unit that look likes K.I.T.T. is talking...

Mio Knight Rider GPS | Network World
10.08.08; 12:00 am; Review: Mio Knight Rider GPS. It's been a rough couple of decades for Knight Rider fans. In 1982 the show's co-star, an AI-enhanced Trans Am named KITT, stole our nerdy hearts.

Review: Mio Knight Rider GPS | WIRED
In short, the Mio Knight Rider GPS won't change the world of navigation, but it will certainly make some wannabe Michael Knights wish they were driving a Trans Am. In this article: gps, hands on,...

Mio Knight Rider GPS
Mio Knight Rider. But buying package deals never works out, especially in our society. Most "buy X get Y free" deals feature one product that seems decent and another product you would have never wanted in the first place. Here, the "Knight Rider" brand plays the role of the desired product, and the device is the unwanted leftover. Unfortunately, the two are coupled together - and ...

Mio Knight Rider GPS - The Power of Licensing | Morscata12
Not for the obvious reasons, but because she had my Knight Rider GPS by Mio. I can't find many flaws with the Knight Rider GPS. I have it set to a personalized greeting "Hello Jay, where would you like to go today?" delivered in the original KITT voice of William Daniels! So far the directions have been accurate although I haven't had an opportunity to use it while driving somewhere ...

I'm Michael Knight with The Knight Rider GPS by Mio ...
The Knight Rider GPS from Mio delivers as advertised. It is a really nice GPS unit, featuring the added novelty of the original voice of K.I.T.T. from Knight Rider. The unit also features red LEDs that light up on each side of the GPS whenever it is speaking (giving you directions).

Mio/Navman "Knight Rider" GPS Navigator - YouTube
Knight Rider GPS Mio created a GPS that features the voice of William Daniels, who played KITT in the hit 1980s television show Knight Rider. It has two LED lights on each side that are in sync with KITT's voice. The product was released on 24 September 2008 at RadioShack to coincide with the season premiere of the new Knight Rider series.

Mio Technology - Wikipedia
Mio's Knight Rider GPS navigation unit brings an authentic Knight Rider experience to your car. Red LED light accents with voice guidance and turn-by-turn directions provided by the original voice of K.I.T.T. (William Daniels) help you get out of any jams (traffic or otherwise).

KITT car: Mio's new Knight Rider Sat Nav | TechRadar
I'm Michael Knight with The Knight Rider GPS by Mio Posted on September 24, 2008 by sexyarmpit I never said I wasn't a big dork. After all, I'd have to be one to purchase a nearly \$300 dollar Knight Rider Portable GPS for my car in order to pretend that I'm driving around like Michael Knight in KITT.

knight rider - Sludge Central
To ensure the fantasy is complete, the Knight Rider GPS by Mio ships with over hundreds of male and female names pre-installed, so you'll be addressed by name as you head out to rid the world of evil, or just head down to the corner store for a gallon of milk. You can be Michael if you're a purist, or choose from one of the list of 300 names.

Knight Rider K.I.T.T. GPS Review
On July 8, 2008, GPS manufacturer Mio Technology announced the release of a Knight Rider-themed GPS unit for a price of \$270. The unit has the original Knight Rider logo printed above the display and features the voice of William Daniels. In 2012 and 2013, General Electric ran an advertising campaign, "Brilliant Machines", about the coming generation of General Electric robotic devices. The ...
