Via illuminating case studies and real-world examples, students are introduced to the fundamental concepts and tools necessary to implement an effective global financial management strategy. The 6th Edition reflects the juxtaposed forces of an increasingly digital global marketplace and a resurgence of nationalist culture and identity. Financial forces, markets, and management are in many ways at the crux of this challenge.

Fundamentals of Multinational Finance, 6th Edition

This new sixth edition includes Excel templates that allow students to use real-world tools in a learning environment, and the modular structure facilitates course customization to individual objectives, interests, and preparatory level.
