dictionary of american family names | Book Library

The Dictionary of American Family Names contains more than 70,000 of the most commonly occurring surnames in the United States, giving their comparative frequencies, linguistic and historical explanations, selected associated forenames, and occasional genealogical notes. The product of a ten-year research project gathering the contributions of thirty linguistic consultants led by Editor in Chief Patrick Hanks, it explains the meanings—some intuitive, some amusing, and some quite surprising ...

Dictionary of American Family Names - Oxford Reference

A new word is entered in our dictionary when evidence shows it in frequent use by many writers. Usually, this process takes at least a few years, but there are extraordinary cases when a new term enters the language and immediately becomes part of our collective daily vocabulary. Such is the case with the language of the current pandemic.
