To have an open mind means to be willing to consider, entertain, and implement new and diverse concepts. Being open-minded involves being receptive to a wide variety of viewpoints, information and ideas. It means being flexible and adaptive. Cultivating an open mind is another valuable outcome of critical thinking and reasoning.

Open Your Mind. Having a mind that is open to everything and attached to nothing sounds easy until you think about how much conditioning has taken place in your life, and how many of your current thoughts were influenced by geography, the religious beliefs of your ancestors, the color of your skin, the shape of your eyes, the political orientation of your parents, your size, your gender, the schools that were selected for you, and the vocation of your great-grandparents, to list only some ...

Synopsis. Michael Bentine, founder-member of "The Goons" and well-known entertainer, maintains that his consistent creativity is due largely to his ability to open the doors of the mind rather than to any inherent "talent". Here he sets out to describe the techniques that he believes anyone can use to develop original thought, free from the "blocks" of envy and hatred and the dangers of negative thinking.
