"Darkly funny and sexy-literary escapism at its finest." -Independent By day, Petra Flint is a talented jeweler working in a lively London studio. By night, she's a sleepwalker troubled by a past she can't put to bed and a present that leaves her clinging to an unsuitable boyfriend. Arlo Savidge was once a budding heartthrob musician. Then tragedy struck and he chose to forsake stardom and all future affairs of the heart for a quiet life in the countryside as a music teacher. Petra and Arlo haven't seen each other since they were teenagers-when their feelings ran deep but the timing wasn't right. Now, seventeen years later, they run into each other once more. Might first love get a second chance-or will what keeps them up at night keep them apart forever? In a feel-good romance that will steal your heart, a charming small town brings together two people who could each use a fresh start—and it 's all thanks to a little pillowtalk. Kennedy Walters used to be lucky in love—until tragedy struck. Now she 's come to the lakeside town of Lyra Valley to finally put the past behind her. But while Kennedy 's staying at a local B&B, she is shocked to find herself undeniably drawn to a sweet-talking hometown heartthrob. Kennedy isn 't sure if she 's ready to move on—and yet one look in Aaron Sheppard 's eyes makes her wish he'd make his move. Aaron returned to Lyra Valley because he was fed up with the big city and everything he was missing: beautiful, down-to-earth girls like Kennedy. Turns out Aaron has more in common with Kennedy than he realized, and suddenly he wonders if he should give her a little space. But after a power outage strands them together, their innocent flirtation turns to intimate conversation. And over the course of a night that neither will ever forget, Aaron and Kennedy learn just how compatible they could be—if only they 'd let themselves fall into each other 's arms. Lesbian Stories Between the Covers A collection of erotic lesbian short stories that simmer with intrigue and lusty encounters, and lots of hot sex between the sheets as well as some other creative places.

This collection explores the emptiness at the center of the characters' lives and their attempts to fill this lack. In these stories about friendship, motherhood, and the search for enduring love, rules about decency and kindness are broken and repaired as men and women attempt to achieve an elusive sense of fulfillment.

Pillow Thoughts is a collection of poetry and prose about heartbreak, love, and raw emotions. It is divided into sections to read when you feel you need them most.

Wouldn't it be funny if you didn't have a nose? The brilliant and clever Roger McGough asks this and other important questions in this marvellous collection. He also tells you exactly when to cut your fingernails, how to have a real pillow fight and what happens when a burp escapes!
