The PMP exam is the golden standard for project management professionals, but let's face it - it's tough to stay conscious when reading the PMBOK. This book is the antidote. Everything you need to know to pass the PMP exam is included. It is literally 1/3 the size in volume compared to some of the more popular tomes out there. All that fluff has been removed and boiled down to the straight facts, plus enough glue to bring it all together so that it makes sense. Those uber-fancy terms and run-on sentences have been removed so you can quickly understand what is being said, instead of having to reread the same sentence 3 times.This book has been updated for the PMBOK Guide Sixth Edition, which includes all sorts of greatness over the previous edition including the following changes:* An updated PMI's Talent Triangle* A focus on schedule instead of time* 3 new processes have been added* 1 process has been removed* "Monitor" is the new "Control"* An increase in the number of ITTOs* A recognition that agile methodologies now rule the planetEnjoy a fun-but-serious way of learning the PMP material, which includes some great mnemonics on memorizing knowledge areas, processes and process groups.
