The styling may be traditional 911 but this version of Porsche's iconic sports car - designated as the 991 - is a big step forward. There 're a few fairly obvious changes from the previous generation model, the roofline is lower and the tail lights are smaller, but the meat of the changes are under the skin.

Right now, at least, you can 't even buy a new Porsche 911 with a manual. And sadly, the manual transmission looks like it 's on its way to the great automotive graveyard in the sky. That is, unless Porsche fans have something to say about it. We 've seen what our voices can do in the past, of course.
