So, How Often Should I Service My Renault? Renault recommends its cars are serviced every year or 18,000 miles, whichever comes first. Renault servicing is based on an A and B service schedule. The A service is due first and includes a cabin filter replacement. The B service is due next and includes an oil and oil filter

# Read Free Renault Clio Petrol Service And Repair

replacement. Following this schedule will ensure not only that your Renault is running at its best, but also that its resale value is being protected.
