Richard John Hatton, MBE is a British former professional boxer who competed between 1997 and 2012, and has since worked as a boxing promoter and trainer. During his boxing career he held multiple world championships at light-welterweight and one at welterweight. Hatton is ranked by BoxRec as the best British light-welterweight of all time, the third best in Europe, and eleventh best worldwide. In 2005 he was named Fighter of the Year by The Ring magazine, the Boxing Writers Association of Ameri

fight and wants the Briton to "be a man" and fight again.

Ricky Hatton's brilliance as a boxer, his down-to-earth demeanour and his live-wire sense of humour have made him a national treasure. Five of Ricky's biggest and most explosive fights took place in the boxing Mecca of Las Vegas. Tens of thousands of British fans followed him there to watch these monumental bouts, and to soak up the unique atmosphere in Sin City. In Ricky's *Hatton's Vegas Tales*, he recalls the most memorable moments: from fight negotiations, through trash-talking transatlantic promotional tours, gruelling training camps, bizarre encounters with opponents, fans, A-list celebrities and boxing legends; all the way to fight-week mayhem and the epic post-fight benders that followed. With contributions from family, friends and the journalists who know him best, tributes from Mexican boxing legends Oscar De La Hoya and Marco Antonio Barrera, plus the hilarious recollections of rock 'n' roll superstar Noel Gallagher, this is an anecdote-driven romp through all the highs and lows of Ricky's Vegas fights, and the madness that preceded and followed each bout. What goes down in Vegas, stays in Vegas... until now!

On 24 November 2012, four-time World Champion boxer Ricky Hatton dropped to his knees, felled by a sickening punch to the body in his first comeback fight in almost three years.

Gasping for breath, down and out, it was then that something extraordinary happened: 20,000 fans began to sing his name. Ricky Hatton: War and Peace is the story of one of British boxing 's true icons. From a Manchester council estate to the bright lights of Las Vegas, Ricky Hatton experienced incredible highs in his career, including one of the greatest ever wins by a British boxer, over the IBF Light Welterweight champion Kostya Tszyu. But heavy defeats to two legends of the ring, Floyd Mayweather and Manny Pacquiao, brought him quickly down to earth to face a new set of battles against depression, drink and drugs. Written with his trademark honesty and wit, this is the inspiring story of a charismatic, funny, straight-talking fighter who boxing fans have always taken to their hearts; a man who has survived a lifetime of wars both in and out of the ring, and who only now is finding something close to peace.

The bestselling and fully updated autobiography of one of the hottest properties in the boxing world. With Ricky 's inimitable mix of quiet, down-to-earth modesty, sportsmanship and ruthless determination to succeed, this is a book for every true sports fan.

They called him “ Manos de Piedra ” —Hands of Stone—and he was one of the greatest boxers of all time. Now Roberto Durán tells his unbelievable story: from the streets of Panama to being crowned one of the “ Four Kings, ” along with Hearns, Leonard, and Hagler, as he blazed a trail through the Golden Age of Boxing. Born into abject poverty, barely able to read or write, Durán quickly realized that his fists could both protect him on the streets and put food on the table. His reputation was established on the day when, for a

Access Free Ricky Hattons Vegas Tales

bet, he knocked down a horse with a single punch. At the age of twenty-one, he claimed his first world title, against Ken Buchanan at Madison Square Garden. The legend of Manos de Piedra was born, but his most glorious moment was yet to come. In 1980, Durán delivered one of the greatest upsets in boxing history by defeating the previously unbeatable Sugar Ray Leonard. But greater fame brought greater distractions, and Durán ' s endless partying took its toll before the two superstars faced each other again. Here, for the first time ever, Durán confronts the debacle of the rematch that entered sporting folklore, and the truth behind the moment he was heard to utter the infamous words “ No más ” —No more. Durán ' s explosive performances in the ring were matched only by the volatility of his life outside it. He lurched from living like royalty to bankruptcy and, after being written off as a boxing also-ran, made a bloody, legendary comeback that gave his career the ultimate ending, and finally brought redemption. He came from nothing, and changed the world. *I Am Durán* is the autobiography of one of boxing ' s most iconic legends.

SUNDAY TIMES BESTSELLER Some people are born to be a certain thing. And I was a born fighter. At the age of eight, Michael Bisping began his training in martial arts. By the time he was 15, he was fighting in his first no holds barred competition. When he turned professional and joined the UFC he was sure about one thing: only a world championship title would do. A British underdog in the greatest fighting championship on earth, he spent the next decade winning some of the championship ' s most sensational contests to achieve his dream, becoming the first ever British UFC world champion in 2016. From his boyhood years learning to fight in the gyms of Lancashire to his most shocking clashes in the cage, in

Access Free Ricky Hattons Vegas Tales

Quitters Never Win Bisping tells the raw and unfiltered story behind his legendary career for the first time, including his greatest wins, his fiercest rivals and the harrowing injury that forced him into retirement. As audacious, entertaining and as candid as the man himself, it ' s a backstage pass to one of the world ' s most extreme sports and an unbridled account of what it really takes to become a champion, from sleeping in his own car to reaching the summit of the world ' s fastest growing sport.

When boxing was bold, bright, and glamorous and the fights were the hottest sporting events of the year, Joe Frazier was king as the Heavyweight Champion of the World. From 1970 to 1973 he reigned. With a career record of 32-4-1 with twenty-seven knockouts and an Olympic gold medal, Frazier leaves little question that he was one of the greatest fighters of all time. Well-known, loved, and revered as a gentleman and a fierce competitor in the ring, Joe Frazier speaks his mind in Smokin' Joe-about growing up poor and fighting in the first \$2.5 million bout; about the early days of his friendship with Muhammad Ali and how their relationship changed; and about the often corrupt world of boxing and what really went on inside and outside the ring. Personable, good-natured, and funny, Frazier's story is a real delight.

Fully updated to include Mayweather ' s battle with UFC star Conor McGregor, reaching the historic 50-0 fight victories that take him past heavyweight legend Rocky Marciano ' s long-held record. Floyd Mayweather Jr ' s father was a boxer, as were his two uncles. His dad also dealt drugs and one day brought his work home with him, when he used his son as a human

Access Free Ricky Hattons Vegas Tales

shield to stop a rival dealer from shooting him. The gunman instead shot his father in the leg, curtailing his own ring career. This is the only biography of the planet 's wealthiest sports star – and one of the world 's most controversial. With exclusive interviews with Mayweather 's friends, family, entourage, combined with Tris Dixon 's expert knowledge of the sport, this remains an essential purchase for sports fans. Floyd Mayweather Jr has never married, has four children by two women, and is a habitual gambler, known to win and lose millions on a single half of US football or basketball. He is obsessed with money, almost as obsessed as he is about protecting his unbeaten record and his staggering aim to go 49 professional bouts without defeat, to match the achievements of the great Rocky Marciano, a goal that he intends to achieve in late 2015, just shy of his 40th birthday. Tris Dixon explores his extraordinary life story in this searing, insightful and often brutal exposé of one of the greatest athletes the world has ever seen.

Cody Garbrandt grew up in a rough town in the Central Appalachian region of Ohio, surrounded by a longstanding culture of fighting—and drugs. Raised in this environment by a single mom (his dad left him at the young age of three to reside in the Ohio State Penitentiary), Cody grew up fighting, and he grew up wild. His future seemed predestined to end in the coal mines, or in prison. Thankfully, Cody had visions of something more. His American Dream? Mixed Martial Arts. But a path to success wasn 't clear. He spent as much time fighting in the streets as he did in the gym—one bad decision away from losing everything. Then, at age 20, Cody 's brother introduced him to five-year old Maddux Maple. Maddux was deathly ill with leukemia, his survival by no means assured. A unique friendship

Access Free Ricky Hattons Vegas Tales

developed as they made a promise to each other: Maddux would beat cancer, and Cody would make it to the UFC and become world champion. Through five long years of pain and hardship, they both persevered; Cody, through the agony and sacrifices of fighting his way to the top, and Maddux through the horrors of chemotherapy. They loved and supported each other. They served as each other ' s inspiration. And in December 2016, they made good on their pact: Cody won his UFC Championship belt, which he promptly presented to Maddux—the boy who had beaten cancer into remission. This is their story.

With the success of the critically-acclaimed, Academy Award-winning film “ The Fighter, ” the world stood up and cheered for the inspiring true story of Micky Ward—a heart-and-soul warrior who overcame the odds to make history in the ring. But that was only part of the tale... Now, in his own words, “ Irish ” Micky Ward tells his inspirational life story as only he can. From his first bout at the age of seven, Micky Ward was known first and foremost for giving as good as he got, and for leaving absolutely everything he had in the ring. When he fought, quitting was never an option. It was that indomitable spirit that would allow him to survive, battle against, and overcome the harsh realities that he faced every day of his life. For it was outside the ring that Ward ' s heart would be most needed, from witnessing his idolized older half-brother Dicky fall from grace, to dealing with his wildly dysfunctional—if frighteningly loyal—family, to the darkest of secrets that he has never revealed until now, and the numerous setbacks and defeats that would have stopped a lesser man. Micky Ward has remained a fighter, through and through—both as a professional boxer, and as a man who finally found his greatest strength in friendship, family, and faith in himself From the

Access Free Ricky Hattons Vegas Tales

rough streets of Lowell, Massachusetts, to the blood and sweat of the international fight game, to the bright lights and adulation of Hollywood, this is the rousing, moving, tragic, and humorous story of the one and only Micky Ward.
