Selected poems 1923-1958 - City of Westminster Libraries
Selected Poems, 1923-1958 was chosen by E.E. Cummings from a collection of eleven books. As such, it offers a comprehensive insight into his poetic oeuvre. As a whole, I find Cummings' poetry to be experimental in form but prosaic in topic.

Amazon.co.uk:Customer reviews: Selected Poems
1923-1958

Cummings' debut collection, *Tulips and Chimneys*, appeared in 1923 and presented for the first time his eccentric use of grammar and punctuation, an approach, influenced by Gertrude Stein, that gave his poetry a radical freshness. His own experience as a painter, as well as a writer, meant that for Cummings the appearance of the poem on the page contributes significantly to its mood and meaning.
