Sissi's World offers a transdisciplinary approach to the study of the Habsburg Empress Elisabeth of Austria. It investigates the myths, legends, and representations across literature, art, film, and other media of one of the most popular, revered, and misunderstood female figures in European cultural history.

# Download Ebook Sissi Elisabeth Empress Of Austria

Sissi's World explores the cultural foundations for the endurance of the Sissi legends and the continuing fascination with the beautiful empress: a Bavarian duchess born in 1837, the longest-serving Austrian empress, and the queen of Hungary who died in 1898 at the hands of a crazed anarchist. Despite the continuing fascination with "the beloved Sissi," the Habsburg empress, her impact, and legacy have received scant attention from scholars. This collection will go beyond the popular biographical accounts, recountings of her mythic beauty, and scattered studies of her well-known eccentricities to offer transdisciplinary cultural perspectives across art, film, fashion, history, literature, and media.

Sissi -- ihre Träume, ihr Schicksal. Welch ein Leben. Blutjung mit Kaiser Franz vermählt, als Kaiserin gefeiert und verehrt. Es folgt die Trennung von Franz Joseph und die Emanzipation zur rebellischen Individualistin, die sich fortan nur noch ihrer Schönheit, dem Reiten und dem Reisen widmet... bis sie 1898 einem Attentat zum Opfer fällt. Dieser opulent ausgestattete Band ist populär und amüsant geschrieben -- eine reichhaltig illustrierte Biographie, die mehr ist als nur die verherrlichende Sissi-Darstellung bisheriger Werke. Text auf Englisch, Bildunterschriften auch auf Japanisch.

Empress Elisabeth of Austria, known to her family as 'Sisi', belongs to a famous love story of European royalty. In 1853 the Emperor Franz Josef, the most eligible bachelor in Europe, fell in love with her at first sight when she was 15. They were married the next year. On the surface, it was a fairy-tale marriage, all the more poignant, with hindsight, because her tragic death augured the twilight years of the Habsburg Empire. First published in 1988, Brigitte Hamann's definitive biography tells Elisabeth's story from her birth into

# Download Ebook Sissi Elisabeth Empress Of Austria

Bavarian nobility to her assassination at the hands of an Italian anarchist. In her lifetime she was idolised solely for her grace and beauty; but Hamann shows us a stronger character, bitter at her marriage, seeking independence, and struggling against the powerful influence of her mother-in-law, the Archduchess Sophie.

A New York Times bestseller, *The Accidental Empress* is the "captivating, absorbing, and beautifully told" (Kathleen Grissom) love story of "Sisi" the Austro-Hungarian empress and wife of Emperor Franz Joseph. The year is 1853, and the Habsburgs are Europe's most powerful ruling family. With his empire stretching from Austria to Russia, from Germany to Italy, Emperor Franz Joseph is young, rich, and ready to marry. Fifteen-year-old Elisabeth, "Sisi," Duchess of Bavaria, travels to the Habsburg Court with her older sister, who is betrothed to the young emperor. But shortly after her arrival at court, Sisi finds herself in an unexpected dilemma: she has inadvertently fallen for and won the heart of her sister's groom. Franz Joseph reneges on his earlier proposal and declares his intention to marry Sisi instead. Thrust onto the throne of Europe's most treacherous imperial court, Sisi upsets political and familial loyalties in her quest to win, and keep, the love of her emperor, her people, and of the world. With Pataki's rich period detail and cast of complex, bewitching characters, *The Accidental Empress* offers "another absolutely compelling story" (Mary Higgins Clark) with this glimpse into one of history's most intriguing royal families, shedding new light on the glittering Hapsburg Empire and its most mesmerizing, most beloved "Fairy Queen."

Biografie van Elisabeth (keizerin van Oostenrijk ; 1837-1898), echtgenote van keizer Franz Joseph.

"A well-written, thoroughly researched story of a popular and beautiful empress, who, while self-indulgent, sought a life of privacy and peace, and showed sympathy and charity toward the poor." - Kirkus Reviews In 1898 Luigi Lucheni fatally stabbed Elisabeth, Empress of Austria, on Lake Geneva as she prepared to board a steamer from the Mont Blanc pier. Her life had been one of both profound sadness and inspiring perseverance; and in its course she set the style for the royal rebels who would follow her, particularly the late Diana, Princess of Wales. While still a child, Elisabeth was married to the Hapsburg prince Franz Josef, heir to the Austrian Empire. She gave him three children; one of whom, Crown Prince Rudolf, would later commit suicide at Mayerling. Finding the atmosphere of the Austro-Hungarian court stifling, the increasingly erratic empress traveled incessantly. Abandoning her husband to the attentions of the Viennese comic actress Katharina Schratt, Elisabeth went on errands of mercy to the docks and slums of London and Liverpool, Barcelona and Naples, Smyrna and Marseilles. She was the despair of local police, who could not protect her, even though she wore disguises. She supported independence movements in Ireland, where she hunted superbly alongside

her close companion, the English cavalryman "Bay" Middleton; and also in Hungary, an integral part of her husband's deteriorating empire. When Lucheni assassinated the empress, he killed the most alluring royal figure of the Victorian age. But fame was her real executioner. Her celebrity had led to her death. Elisabeth had been driven into loneliness until she had lost all sense of reality, pursuing a desperate liberty that a confined marriage would never allow her.

Married at seventeen. Betrayed by her mother-in-law. Forced to live behind castle walls. The historic tale of the most famous Empress in Europe comes alive. Torn from her homeland and the man she loved, the deeply saddened Elisabeth is pushed into a brutal world by her husband's neglect and his affair. She makes adjustments in her life as a woman and as an Empress in order to survive. The allure of sensual pleasures will constantly test the young Empress. As the years pass, sorrow leaves its mark upon the aging Elisabeth. She becomes a legend, wounded by passion and love affairs.

A free and impetuous spirit, Elisabeth is chosen at the age of fifteen to be the wife of Franz Joseph, Emperor of Austria, which throws her into a world of restrictions and tremendous responsibilities.

On November 8, 1985, 18-year-old Tom Odle brutally murdered his parents and three siblings in the small southern Illinois town of Mount Vernon, sending shockwaves throughout the nation. The murder of the Odle family remains one of the most horrific family mass murders in U.S. history. Odle was sentenced to death and, after seventeen years on death row, expected a lethal injection to end his life. However,

# Download Ebook Sissi Elisabeth Empress Of Austria

Illinois governor George Ryan's moratorium on the death penalty in 2000, and later commutation of all death sentences in 2003, changed Odle's sentence to natural life. The commutation of his death sentence was an epiphany for Odle. Prior to the commutation of his death sentence, Odle lived in denial, repressing any feelings about his family and his horrible crime. Following the commutation and the removal of the weight of eventual execution associated with his death sentence, he was confronted with an unfamiliar reality. A future. As a result, he realized that he needed to understand why he murdered his family. He reached out to Dr. Robert Hanlon, a neuropsychologist who had examined him in the past. Dr. Hanlon engaged Odle in a therapeutic process of introspection and self-reflection, which became the basis of their collaboration on this book. Hanlon tells a gripping story of Odle's life as an abused child, the life experiences that formed his personality, and his tragic homicidal escalation to mass murder, seamlessly weaving into the narrative Odle's unadorned reflections of his childhood, finding a new family on death row, and his belief in the powers of redemption. As our nation attempts to understand the continual mass murders occurring in the U.S., *Survived by One* sheds some light on the psychological aspects of why and how such acts of extreme carnage may occur. However, *Survived by One* offers a never-been-told perspective from the mass murderer himself, as he searches for the answers concurrently being asked by the nation and the world.
