Original. 20,000 first printing.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. A sociological understanding of social problems. Social Problems: A Down to Earth Approach, (Subscription) 12/e is a theoretically balanced text that

Read Book Sociology Henslin Free Chapters

provides the latest research and a consistent structure to help students analyze critical social problems facing the United States. The author presents both sides of an argument with a neutral voice and uses a "down-to-earth" writing style. By using this text, not only do students gain a sociological understanding of social problems, but also they are able to explore and evaluate their own opinions about specific social problems. They will gain a greater awareness of the social forces that shape their orientations to social problems and their perspectives on social life. The ideas in this book penetrate students' thinking and help give shape to their views of the world.

For thirty-five years and through thirteen editions, Jim Henslin's Down

Read Book Sociology Henslin Free Chapters

to Earth Sociology has opened new windows onto the social realities that shape our world. Now in its fourteenth edition, the most popular anthology in sociology includes new articles on our changing world while also retaining its classic must-read essays. Focusing on social interaction in everyday life, the forty-six selections bring students face-to-face with the twin projects of contemporary sociology: understanding the individual's experience of society and analyzing social structure. The fourteenth edition's exceptional new readings include selections on the role of sympathy in everyday life, mistaken perceptions of the American family, the effects of a criminal record on getting a job, and the major social trends affecting our future. Together with these essential new articles, the

selections by Peter Berger, Herbert Gans, Erving Goffman, Donna Eder, Zella Luria, C. Wright Mills, Deborah Tannen, Barrie Thorne, Sidney Katz, Philip Zimbardo, and many others provide firsthand reporting that gives students a sense of "being there."

Henslin also explains basic methods of social research, providing insight into how sociologists explore the social world. The selections in *Down to Earth Sociology* highlight the most significant themes of contemporary sociology, ranging from the sociology of gender, power, politics, and religion to the contemporary crises of racial tension, crime, rape, poverty, and homelessness.

Introduction to Sociology 2e adheres to the scope and sequence of a typical, one-semester introductory

Read Book Sociology Henslin Free Chapters

sociology course. It offers comprehensive coverage of core concepts, foundational scholars, and emerging theories, which are supported by a wealth of engaging learning materials. The textbook presents detailed section reviews with rich questions, discussions that help students apply their knowledge, and features that draw learners into the discipline in meaningful ways. The second edition retains the book's conceptual organization, aligning to most courses, and has been significantly updated to reflect the latest research and provide examples most relevant to today's students. In order to help instructors transition to the revised version, the 2e changes are described within the preface. The images in this textbook are grayscale. Authors include: Heather Griffiths,
