-Make behaviors that you believe are helpful, a habit. When pressed, this can keep you from making wrong decisions, because you internally know you shouldn't do it, but if you actually thought about it, you just might do it. Start off small, like putting what you need for work in a certain place immediately after arriving home. 2

How to Take Back Your Life (with Pictures) - wikiHow

Taking command of your life means getting honest with yourself about what friends and activities bring out your best self, and which ones no longer serve you. This way, you will give yourself room to say yes to people and activities that actually serve your best interests and elevate your consciousness.

Take Back Your Life's ultimate goal is to obtain a building to use as a centralized location to provide all services to survivors, to avoid traumatizing further.

TAKE BACK YOUR LIFE SURVIVORS

Here's how to take back your life, in 10 simple, yet not so easy steps: 1. Stop being a consumer. When you spend money, you're really spending time invested in exchange for that money. The less money spent, the more time you have, making the effort to consume less not about money, but rather about taking back your time and freedom. Stop buying stuff.
