'That day I cried like a baby not because I feared what cancer would do but because I didn't want the disease. I wanted my life to be normal, which it could not be.' For the first time Yuvraj Singh tells the real story behind the 2011 World Cup when on-the-field triumph hid his increasingly puzzling health problems and worrying illnesses. In his debut book The test of my life, he reveals how-plagued with insomnia, coughing fits that left him vomiting blood, and an inability to eat-he made a deal with God. On the night before the 2011 ICC Cricket World Cup final, Yuvraj prayed for the World Cup in return for anything God wanted. In this book, he lays bare his fears, doubts, and the lows he experienced during chemotherapy-when he lost his energy, his appetite, and his hair-and his battle to find the will to survive. Poignant, personal, and moving-The test of my life-is about cancer and cricket; but more importantly, it is about the human will to fight adversity and triumph despite all odds.

Autobiography of an Indian cricket player.

Winner of the Wisden Book of the Year Eighteen years, eight series, eight defeats. These are the facts. I look around the room. We're a young team. Strauss, Flintoff, Vaughan, the new guy, Kevin Pietersen. None of us remember England holding the Ashes. We are a generation that have grown up in Australia's shadow. In 2005 Simon Jones took part in the greatest Ashes series of all time. As a devastating fast bowler in a brave young England team, Jones went toe to toe with the might of the seemingly unbeatable Australians. Over the course of fifty-four days Simon would experience the greatest highs of his career, and plunge to the lowest depths. The series would change his life for ever. In chapters that alternate between an unforgettable, insider's account of each of the five Tests and the remainder of his life, Simon presents the raw and unvarnished truth behind international sport; the joy and the sacrifice, the physical and mental cost and the unrelenting pressure. Heroes emerge, and cricketing legends are made human.

At 11.47pm on July 25th 1978, Louise Brown was the first person ever to be born through science rather than as the result of two people having sex. The birth was hailed as a "miracle" by the world's media, making her instantly famous. For the first time Louise tells the story of her world changing birth and its impact on her life.The book contains many family photographs and letters which have never been published before. It was written by Louise with her long-term publicist Martin Powell of Empica PR.

A stylish batsman who could score against any kind of bowling, VVS Laxman played over a hundred Tests to aggregate more than 8,000 runs. Cricket fans still remember with awe his game-changing knock of 281 against Australia in 2001 at Eden Gardens. But playing for India was never easy. He was dropped as often as he was picked, and despite his vast experience and unimpeachable skill, he never made it to a World Cup team. All through his playing years, Laxman was known to be a soft-spoken man who kept his distance from controversy. Which is what makes this autobiography truly special. It's candid and reflective, happy and sad by turns, and deeply insightful. He writes of dressing-room meltdowns and champagne evenings, the exhilaration of playing with and against the best in the world, the nuances of batting in different formats and on various pitches, the learnings with John Wright and the rocky times under Greg Chappell. In 281 and Beyond, Laxman lays bare the ecstasy and the trauma of being one of the chosen XI in a country that is devoted to cricket.

For over forty years, Rebbitzen Esther Jungreis has been a globetrotting spokeswoman for Judaism. Whether counseling a searching soul or addressing a packed house in Madison Square Garden, her message is elegantly universal. In Life Is A Test, the Rebbitzen's insights on faith, her soul-stirring wisdom, and her palpable love of all people saturate every page. Life Is A Test is really three books in one, each bearing a particular focus to help readers look for the message embedded in any difficulty. The book begins with tests of self-discovery and then examines the challenging realm of interpersonal relationships, concluding with a section on perceiving the Divine Design in the big picture of global events, as well as in one's own world. Regardless of age or experience, people of all persuasions will find meaningful substance in Life Is A Test. Rebbitzen Jungreis has captured so many of our deep-seated questions, and has graciously provided us with a decipherable answer key.

"When Ben Hardy is forced to become the school's mascot, Steve the Spud, he wants to keep the embarrassing gig a secret at all costs"--

Classic stories from the Wally McDoogle series now with new designs and spot illustrations throughout. Forty feet underwater with a million dollars of gold in reach, Wally McDoogle only has to overcome: Sea monsters. . . Hostile pirates. . . A ghost ship. . . And, of course, the world famous McDoogle klutziness.Will he be able to avoid catastrophe and chaos? Probably not. Just as our hero goes for the gold, he finds himself on a wild ride atop a misguided torpedo and realizes the true cost of greed.

From being Champion of Champions to one of the world's top cricket commentators to Team India's head coach, Ravi Shastri has an incomparable perspective when it comes to the game of cricket. In Stargazing: The Players in My Life, the legendary all-rounder looks back at the extraordinary talent he has encountered over the years. Who is the former Indian captain who didn't do full justice to his talent? Or that bruising bowler who went on to become a best friend? What was the most important lesson the legendary Clive Llyod taught him? How does Shastri set aside his personal bond with Virat Kohli in his role as coach? Full of never-before-revealed anecdotes, Stargazing, co-written with Ayaz Memon and featuring illustrations by Shiva Rao, offers a glimpse into how champions from across the globe have inspired one of the world's greatest ODI players and Team India's most successful Test cricket coach.
