But if you say yes to a lot of things; if you almost overcommit, then you probably won't get all of the things you've committed to complete. But you'll get a good portion of them. The 80% that you DO get done will still be more than that one person who said no to a lot of things. The busiest people get the most things done." ? David Tian Ph.D

Tattooing has been practiced across the globe since at least Neolithic times, as evidenced by mummified preserved skin, ancient art and the archaeological record. Both ancient art and archaeological finds of possible tattoo tools suggest tattooing was practiced by the Upper Paleolithic period in Europe. However, direct evidence for tattooing on mummified human skin extends only to the 4th ...
