Ariane Tucker has finally escaped GTX, the research facility that created her. Now that she's on the run, Zane Bradshaw is the only person she can trust. He knows who-and what-she is and still wants to be part of her life. But accepting Zane's help means putting him in danger. Dr. Jacobs, head of GTX, is not the only one hunting for Ariane. Two rival corporations have their sights set on taking down their competition. Permanently. To protect Zane and herself, Ariane needs allies. She needs the other hybrids. The hybrids who are way more alien and a lot less human. Can Ariane win them over before they turn on her? Or will she be forced to choose sides, to decide who lives and who dies?

Ariane Tucker has finally escaped GTX, the research facility that created her. Now that she's on the run, Zane Bradshaw is the only person she can trust. He knows who-and what-she is and still wants to be part of her life. But accepting Zane's help means putting him in danger. Dr. Jacobs, head of GTX, is not the only one hunting for Ariane. Two rival corporations have their sights set on taking down their competition. Permanently. To protect Zane and herself, Ariane needs allies. She needs the other hybrids. The hybrids who are way more alien and a lot less human. Can Ariane win them over before they turn on her? Or will she be forced to choose sides, to decide who lives and who dies?

After being on the run, Ariane Tucker finds herself back where she started-under Dr. Jacobs's cruel control. Now she must participate in the upcoming trials: a deadly competition pitting her against other alien hybrids, each representing a rival corporation. But Ariane is no one's weapon, and she is prepared to die if it means taking down those involved in Project Paper Doll. They destroyed all that she holds dear; including Zane Bradshaw, the one person she trusted and cared for the most. The person she was forced to leave behind, bleeding and alone. As her plan takes shape, Ariane will need now more than ever to depend on the other side of her heritage-the cold, calculating instincts born from her alien DNA. With Zane gone, she has nothing left to lose. Heart-pounding action and thrilling twists will lead Ariane down a dangerous path, where shocking truths and the chance for revenge await.

1. Never trust anyone. 2. Remember they are always searching. 3. Don't get involved. 4. Keep your head down. 5. Don't fall in love. Five simple rules. Ariane Tucker has followed them since the night she escaped from the genetics lab where she was created, the result of combining human and extraterrestrial DNA. Ariane's survival-and that of her adoptive father-depends on her ability to blend in among the full-blooded humans, to hide in plain sight from those who seek to recover their lost (and expensive) "project." But when a cruel prank at school goes awry, it puts Adriane in the path of Zane Bradshaw, the police chief's son and someone who sees too much. Someone who really sees her. After years of trying to be invisible, Ariane finds the attention frightening-and utterly intoxicating. Suddenly, nothing is simple anymore, especially not the rules.

Having finally escaped GTX, an on-the-run Ariane searches for fellow hybrids and resolves to take down the corporation that created her despite her reluctance to endanger Zane.

Two dolls with 30 costumes model the aristocratic American styles worn by the Vanderbilts, Astors, Belmonts, and other patrician ladies from the 1870s through the early 1900s. Notes.

After a close encounter with a bus, Alona Dare goes from homecoming queen to Queen of the Dead. She 's stuck as a ghost in the land of the living with no sign of the big, bright light to take her to a better place. To make matters worse, the only person who might be able to help her is Will Killian, a total loser outcast. More than anything, Will wishes he didn ' t have the rare ability to communicate with the dead, especially the former mean girl of Groundsboro High. He ' s not filling out any volunteer forms to help her cross to the other side, though it would bring him some welcome peace and quiet./DIV DIVCan they get over their mutual distrust -- and quasi-attraction -- to work together? Readers of this spirited paranormal comedy won't want this odd couple to ever part.

A young man struggles to move forward after the death of his twin brother in this " poignant and powerful " (Kirkus Reviews) coming-of-age tale about loss, redemption, love, and the moment you begin to see the world differently. Three minutes. Jacob Palmer died for three life-changing minutes. And when he woke up, nothing was the same. Elijah, his twin brother, is dead, and his family is broken. Jace ' s planned future is crushed, along with his pitching arm. Everyone keeps telling him that Eli ' s in a better place, but Jace isn ' t so sure. Because in those three minutes, there was nothing. Overwhelmed by guilt and doubt, Jace struggles to adjust to this new version of the world, one without his brother, one without the certainties he once relied on. And then Thera comes into his life. She ' s the last girl he should be turning to for help. But she ' s also the first person to truly see him.
