When one has Orphan dreams this is a common symbol of rejection, abandoning, sadness, and frustration. This is what happens when we feel completely alone in life and also feel as though we have nowhere to turn. Being an orphan means that you have no connection to your roots, you feel like a wanderer, with no foundation with which to sustain you which can be extremely difficult as a person grows into adulthood.

### The Orphan's Dream : Dilly Court : 9780099574972

We are orphans of our dreams. We dream of an Africa where people laugh because they are happy. We dream of order and green spaces in our cities. And we dream of a society free from political and cultural oppression. But we wake up to a malnourished reality. Ali defied the world to remake himself in his own image.
