City Lights Noir
(James Brook)

Over the weekend, I read a slim, 1981 French thriller, published in the U.S. in 2002 by City Lights, and that I've had on my shelf for years. It's called The Prone Gunman (aka La Position du Tireur Couche) by Jean-Patrick Manchette

Download File PDF The Prone

and it is a frustrating book. It starts off great, with some of the leanest, meanest prose you'll ever find in a noir... taking the familiar "hitman on his last job" scenario and making it seem fresh.
