The Wonder Book of Bible Stories is a collection of Bible stories from both Old and New Testament written for the youth. This book is not meant to replace the Bible but functions as a appetizer. This edition is large font(Arial 16) for the visually impaired.

The Bible is one of the two or three oldest books in the world, but unlike most of the ancient books, it is found not only in great libraries, but in almost every home of the civilized world; and

It is not only studied by learned scholars, but read by the common people; and its many stories grasp and hold the attention of little children. Happy is that child who has heard, over and over again, the Bible stories until they have become fixed in his mind and memory, to become the foundations of a noble life. It is with the desire of aiding parents and teachers in telling these stories, and aiding children to understand them, also in the hope that they may be read in many schools, that a few among the many interesting stories in the Bible have been chosen, brought together and as far as necessary simplified to meet the minds of the young.
