started with your device and installing it in your vehicle, we recommend that you read the Get going chapter. After that, you will probably want to connect to TomTom services and you can read all about that in the Connecting to TomTom services chapter.

TomTom VIA - User Manual

Choose the best smooth location, on your windshield or side window, to mount your TomTom VIA. Tip: If the mount is integrated into your VIA, you can easily change the rotation of your device. Push the button on the back of the device to release the mount, then slide the mount out. Insert it back into the other side of the device.
