Too Good To Be True by Carola Lovering, 2021. The Characters: Skye Burke Heather and her employer Libby. It's best to go into this book blind—I don't even recommend reading the summary! I think the blurb from the publisher gives too much away. The Plot (from Goodreads):

Too Good to Be True is a psychological thriller about revenge, deception, and one very smart sociopath. I am not going to write a summary, because I don't want to give anything away. Narrated by three characters, I never knew where this was going. Too Good to Be True is a page-turner.

ONE LOVE STORY. TWO MARRIAGES. THREE VERSIONS OF THE TRUTH. Too Good to Be True is an obsessive, addictive love story for fans of Lisa Jewell and The Wife Upstairs, from Carola Lovering, the beloved author of Tell Me Lies. Skye Starling is overjoyed when her boyfriend, Burke Michaels, proposes after a whirlwind courtship. Though Skye seems to have the world at her fingertips—she's smart, beautiful, and from a well-off family—she's also battled crippling OCD ever since her mother's death when she was eleven, and her romantic relationships have suffered as a result. But now Burke—handsome, older, and more emotionally mature than any man she's met before—says he wants her. Forever. Except, Burke isn't who he claims to be. And interspersed letters to his therapist reveal the truth: he's happily married, and using Skye for his own, deceptive ends. In a third perspective, set thirty years earlier, a scrappy seventeen-year-old named Heather is determined to end things with Burke, a local bad boy, and make a better life for herself in New York City. But can her adolescent love stay firmly in her past—or will he find his way into her future? On a collision course she doesn't see coming,

Skye throws herself into wedding planning, as Burke's scheme grows ever more twisted. But of course, even the best laid plans can go astray. And just when you think you know where this story is going, you'll discover that there's more than one way to spin the truth.

Recounts the author's efforts to rebuild in the face of a failing literary career and his wife's abandonment for another man, describing how his love for his young son inspired the confrontation of his own painful childhood memories.

How far would you go to get over a guy? When Grace Emerson's ex-fiancé starts dating her younger sister, extreme measures are called for. To keep everyone from obsessing about her love life, Grace announces that she's seeing someone. Someone wonderful. Someone handsome. Someone completely made up. Who is this Mr. Right? Someone...exactly unlike her renegade neighbor Callahan O'Shea. Well, someone with his looks, maybe. His hot body. His knife-sharp sense of humor. His smarts and big heart. Whoa. No. Callahan O'Shea is not her perfect man! Not with his unsavory past. So why does Mr. Wrong feel so...right?

Trish Perry, author of the charming novel *The Guy I'm Not Dating*, follows up with a contemporary, humorous tale of how love and life unfold in surprising ways. Rennie Young, heroine of *Too Good to Be True*, meets the gallant Truman Sayers after she faints in the boys' department of the local super store. Despite this unromantic introduction, Tru Sayers, a handsome young labor-and-delivery nurse, seems like a gift from God. But a recent divorce and other life disappointments cause Ren to question whether she can trust her heart and God. This clever novel encourages readers to lean on God's leading and to be open to life after the hurt—even when it seems too good to be true.

A senior in college, Brady Bledsoe, a talented football player with his eye on a professional career and a contender for the Heisman trophy, becomes the target of sports agents and a beautiful cheerleader out to gain a piece of his lucrative future.

"If you enjoy these too-good-to-be-true tales, Brunvand's new book will give you hours of pleasure."—Chicago Tribune A fabulously entertaining book from the ultimate authority on those almost believable tales that always happen to a "friend of a friend." Alligators in the sewers? A pet in the microwave? A tragic misunderstanding of the function of cruise control? No, it didn't really happen to your friend's sister's neighbor: it's an urban legend. And no matter how savvy you think you are, you are sure to find in this collection of over 200 tales at least one story you would have sworn was true. Jan Harold Brunvand has been collecting and studying this modern folklore for over twenty years. In *Too Good to Be True* he captures the best stories in their best retellings, along with their latest variations and examples of how the stories have changed as they move from person to person and place to place. To help you find your favorite, Brunvand has arranged the tales thematically. "Bringing Up Baby" is full of episodes of child-rearing gone wrong, including the grisly tale of the drugged out baby-sitter who mistakes the kid for a turkey. "Funny Business" showcases stories of infamous lapses in customer service, such as the story of the shockingly expensive chocolate chip cookie recipe. And "The Criminal Mind" features both brilliant --if they were real --scams, as well as the purported antics of the less mentally gifted. Whether you want to become an expert debunker or just have plenty of laughs, this book will surprise and entertain you. Illustrated throughout. "Informative and entertaining... Brunvand has collected more than 200 of the most-repeated and best-known examples of modern folk-myth."—Tampa Tribune "[N]ot only an entertaining anthology, but an excellent introduction to the study of folklore itself."—Publishers Weekly "A fun read... All the classics are here from the killer upstairs to the Kentucky Fried Rat."—New City "Resonant stories that express our hidden anxieties ... make us laugh, [or] arouse our fascinated horror."—San Francisco Chronicle Book Review "Informative and entertaining... Brunvand has collected more than 200 of the most-repeated and best-known examples of modern folk-myth."—Tampa Tribune "[N]ot only an entertaining anthology, but an excellent introduction to the study of folklore itself."—Publishers Weekly

The untold story of the Madoff scandal, by one of the first journalists to question his investment practices Despite all the headlines about Bernard Madoff, he is still shrouded in mystery. How did he fool so many smart investors for so long? Who among his family and employees knew the truth? The person best qualified to answer these questions is Erin Arvedlund. In early 2001, she was suspicious of the amazing returns of Madoff's hedge fund. Her subsequent article in *Barron's* could have prevented a lot of misery, had the SEC followed up. Arvedlund presents a sweeping narrative of Madoff's career—from his youth in Queens, New York, to his early days working for his father-in-law, and finally to infamy as the world's most notorious swindler. Readers will be fascinated by Arvedlund's portrayal of Madoff, his empire, and all those who never considered that he might be too good to be true.

It was love at first flight. Air traffic controller Carey Browne is seeing nothing but blue skies. She's leaving on a jet plane...for a much needed vacation! Destination: New York City. Travel time: Six hours. Seating arrangement: Next to a man who's much too attractive to be single. Not that Carey's looking. She's taking time off from dating, too. Most of the men she meets are a lot like airplane food: nicely packaged, well-preserved, and profoundly unsatisfying. When she begins chatting with Ben Russell, though, it's as if Carey has known him all her life. He's quick-witted, kind, and makes her laugh -- even at herself. Ha! Then it was time for take-off. One stopover later, Carey and Ben are married in Las Vegas, and their

transatlantic announcement is causing sudden turbulence back home. How can two strangers claim to be each other's soul mate? Ben's sister is adamantly opposed to Carey; she thinks he's having a mid-life, no-wife crisis. As for Carey's folks, well, they know the marriage will never last. Right? Rumors are running amok, as are past lovers. Why is everyone trying to ground the newlyweds and convince them that they've made a huge mistake? And why is Carey starting to worry that maybe they're right?
