What is Twitter? Twitter is the place to find out about what's happening in the world right now. Whether you're interested in music, sports, politics, news, celebrities, or everyday moments—come to Twitter to see and join in on what's happening now.

[Getting Started Guide - Twitter](#)

Make your Twitter page your own by customizing your profile. You can upload unique images for your profile and header pictures, choose a color theme, then add your name, a brief biography, location, birthday, and website, if you desire. Personalize it even more by pinning a Tweet to the top of your profile that other people will see when they visit.

1. Choose the right Twitter handle. The first step in getting started on Twitter is creating your account. When creating your account, it's important to remember that your username—or as it's called on Twitter: your “handle,” is outward facing and will be what the public uses to identify your business.
