One of the most popular role-playing properties in the world gets new life with this trio of horror novellas set in Vampire: The Masquerade's World of Darkness by three brilliant talents: Genevieve Gornichec, Cassandra Khaw, and Caitlin Starling. The subtle horror and infernal politics of the World of Darkness are shown in a new light in Vampire: The Masquerade: Walk Among Us, an audio-first collection of three novellas that show the terror, hunger, and power of the Kindred as you've never seen them before. In Genevieve Gornichec's *A SHEEP AMONG WOLVES*, depression and radicalization go hand-in-hand as a young woman finds companionship in the darkness... In Cassandra Khaw's *FINE PRINT*, an arrogant tech bro learns the importance of reading the fine print in the contract for immortality... And in Caitlin Starling's *THE LAND OF MILK AND HONEY*, ideals and ethics bump heads with appetite on a blood farm. Three very different stories from three amazing, distinct voices, but all with one thing in common: the hunger never stops, and for someone to experience power, many others are going to have to feel pain.
