Then, in 2009, one "aha!" moment launched an adventure of discovery and insight that drastically shifted her worldview and upended her life plan. In Waking Up White, Irving tells her often cringe-worthy story with such openness that listeners will be rooting for her - and ultimately for all of us.

**Waking Up White, and Finding Myself in the Story of Race**---

My waking-up process has been built largely on the collective wisdom from people of color throughout the centuries who've risked lives, jobs, and reputations in an effort to convey the experience of racism. It can be infuriating, therefore, to have the voice of a white person suddenly get through to another white person.
