From the time that George Bernard Shaw remarked that "Rebecca West could handle a pen as brilliantly as ever I could and much more savagely," West's writings and her politics have elicited strong reactions. This collection of her letters—the first ever published—has been culled from the estimated ten thousand she wrote during her long life. The more than two hundred selected letters follow this spirited author, critic, and journalist from her first feminist campaign for women's suffrage when she was a teenager through her reassessments of the twentieth century written in 1982, in her ninetieth year. The letters, which are presented in full, include correspondence with West's famous lover H. G. Wells and with Shaw, Virginia Woolf, Emma Goldman, Noel Coward, and many others; offer pronouncements on such contemporary authors as Norman Mailer, Nadine Gordimer, and Arthur Schlesinger, Jr.; and provide new insights into her battles against misogyny, fascism, and communism. West deliberately fashions her own biography through this intensely personal correspondence, challenging rival accounts of her groundbreaking professional career, her frustrating love life, and her tormented family relations. Engrossing to read, the collection sheds new light on this important figure and her social and literary milieu.

This well-edited collection of Sherman's letters span his lifetime. It includes letters from every major period of his life, including the Georgia Campaign and the end of the Civil War. It offers insight into Sherman's motives, strategies and his character.

Laura Ingalls Wilder crossed the country by covered wagon, by train, and by car. Here, Laura's journal entries and letters from three of her most memorable journeys have been collected in one volume. On the Way Home recounts her 1894 move with her daughter, Rose, and her husband, Almanzo, from South Dakota to Mansfield, Missouri, where Laura would live for the rest of her life. In West From Home, Laura wrote letters to Almanzo about her adventures as she traveled to California in 1915 to visit Rose. Finally, The Road Back tells the story of Laura and Almanzo's first trip back to DeSmet in 1931, the town where Laura grew up and where she fell in love with Almanzo. Laura's candid sense of humor and keen eye for observation shine in this wonderful collection of writings about the many places she called home.
